

Printable Blank Visual Schedule

This blank visual schedule is designed to help create structure and predictability in a daily routine. It can be printed, laminated, and used with Velcro or whiteboard markers for easy reusability.

Instructions for Use:

- Print and Laminate – Ensures durability for repeated use.
- Add Visuals or Text – Use drawings, stickers, photos or printed icons to represent activities.
- Attach with Velcro/Magnets – Make it interactive and flexible.
- Mark Completed Tasks – Use a dry-erase marker or a checkmark system.

Customisation Options:

- Modify Time Slots – Adjust based on school, home, or weekend routines.
- Use Symbols – Add images to support different learning needs.
- Personalise with Colours – Use highlighters or coloured markers for sections.

Daily Visual Schedule _____

Time	Activity	Completed (✓)
Morning		
Lunch		
Evening		
Bedtime		

Activity Symbols

Printable Emoji Activity Symbols

This document contains a collection of activity symbols in emoji form. These can be printed, laminated, and used for visual schedules, communication boards, or learning activities. These are examples that you can cut out, laminate and use on the Visual Schedule. Use photos or draw your own designs if these generic symbols are not quite right for the situation.
