

Social Story Template: Going to the Coffee Shop

Title: My Trip to the Coffee Shop

Page 1: Introduction

- Today, I am going to the coffee shop.
- A coffee shop is a place where people go to buy drinks and food.
- I can go with my family, a friend, or a caregiver.

Page 2: Getting Ready

- Before we go, I need to get ready.
- I will put on my shoes and make sure I have everything I need.
- If I have money or a card to buy something, I will bring it with me.

Page 3: Arriving at the Coffee Shop

- When we arrive, we might have to wait in line.
- The coffee shop might be busy, with lots of people and sounds.
- I can stay calm and wait my turn.

Page 4: Ordering My Drink or Food

- When it is my turn, I can tell the person at the counter what I would like.
- I can say, "I would like a hot chocolate, please."
- If I am not sure what to get, I can ask for help.

Page 5: Paying for My Order

- After I order, I will need to pay.
- I can give money or use a card to pay.
- The person at the counter will give me change or a receipt if needed.

Page 6: Waiting for My Order

- After I pay, I will wait for my order.
- I can sit at a table or stand nearby.
- I will listen for my name or watch for my order to be ready.

Page 7: Enjoying My Drink or Food

- When I get my order, I can take it to a table.
- I will drink or eat carefully and use good table manners.
- I can talk to the people I am with and enjoy my time.

Page 8: Cleaning Up

- When I am finished, I will clean up my space.
- I can put my rubbish in the bin and return my tray if I used one.
- Keeping the coffee shop clean is respectful.

Page 9: Leaving the Coffee Shop

- When it is time to go, I will get my things and say goodbye.
- I might say, “Thank you!” to the staff.
- I can feel happy that I had a nice visit to the coffee shop.

Customisation Options:

- Use a small photo album with plastic sleeves
- Add personal photos of the child at a coffee shop.
- Adjust language based on the child’s communication style.
- Include visual symbols or icons for better understanding.

This social story helps prepare children for a trip to the coffee shop by providing clear, step-by-step guidance on what to expect and how to behave.

Use this structure to guide you to make other social stories for different activities and scenarios.
